

RANGE RULES

1. All members and guests must sign in the log book before any shooting begins. Guest may only be signed in once to use firearms. They are then expected to join the club.
2. No glass or like objects will be used as targets. Paper targets will be removed after use. Litter from targets, shotgun hulls etc. will be put in trash cans provided.
3. If you remove steel targets, stands or other range equipment from storage it is your responsibility to insure that after use it is returned to storage.
4. If you wish to borrow something from another venue you must first call a director of that discipline and get the O.K. to use it. If during a competition there is a dire need for an item, then borrow it and inform a director afterwards. If an item is damaged you will have it repaired or if consumed replaced.
5. Absolutely no shooting of plywood backboards with shotguns.
6. Absolutely no hunting or harassing of animals.
7. Due to the configuration of the range complex, for safety reasons some ranges must be closed when other ranges are closed.
